

JOURNAL OF Exercise Science & Fitness

Editorial Preface

Dear Fellow Colleagues and Members,

I express my heartfelt appreciation to our reviewers and contributors for their continuous support of the Journal. The major challenges in the coming year will be to resolve how to efficiently renew membership and to increase subscription to the Journal.

We are also grateful for the support of our sponsors and the contribution of the three professional organizations for their funding support.

I wish you all a happy and productive new year.

Sincerely Yours,

Professor Frank H. Fu, MH JP
Editor-in-Chief
